1. In view of additional information now available, we revise our last communication to you. Peter Franz [redacted] has admitted to us that he used to use the alias [redacted]. He is a ZLP ERite living in Munich. ONISENHOFER was merely an associate of STUDERMAYER's in a legitimate business undertaking.

2. Our statement on KRAUS can stand, but we will have to check [redacted], since STUDERMAYER claims him as a friend and recommended his use on an intelligence mission. Could [redacted] possibly be the high-ranking SS officer WOLFF for [redacted] worked during World War II in Italy?

3. If you could establish the reasons for the Austrian arrest in these individuals, without revealing our operational intent, we would appreciate hearing.
